## About use only by children

Even in a short time, it is not possible for children to play by themselves, regardless of age (you can’t watch a child from outside.)

There are small babies together and such use can cause unexpected accidents. Please be sure to be with guardians.

## strollers

Strollers should be laid out by the wall folded (If possible) so that they do not interfere with traffic or universal toilet access.

## Favorite toys, etc.

Please do not bring personal items such as toys and picture books.

## About eating and drinking

Please refrain from nursing, eating lunch boxes or snacks and drinking in the room, as other children may have allergies (Only drinks with lids, such as water bottles for hydration are allowed) .

For food and drinks, please use the community civil activity and exchange space. (there are some baby chairs).

For nursing, please use the nursing space on the 5th and 6th floors (equipped with a water heater for milk)

When Fathers use the room, please hang “Dad is using” tag to be seen from outside the door.

## About the slide

When running or playing on a slide, wearing socks may cause to slip and dangerous. Please take off the socks as much as possible.

The slide is made of natural cedar, so that children can feel comfortableness from the soles. Parents are also welcome to feel the touch.

Also, especially when playing the slide, please watch by your children. We hear that some children get injured when they go up and down or pushing each other while holding toy knife, or when they look down and fall down from the top. So please be careful.

## Clean up

When children played with toys or books, please return them at designated place. There are marks on the shelf.

Toys licked by children will be cleaned and disinfected after the room is closed, so be sure to put them into the designated basket. If the picture books or toys are torn or damaged, please bring them to the reception counter on the 5th floor.

## when you feel bad/ about infectious disease

When you or your children is feeling bad or when they are suspected of infectious diseases, please refrain from using the room.

## About accidents and theft

This space is not a facility for child care of children. We do not take any responsibilities for accidents, thefts, or troubles between users while using the space

Please keep your eyes on your child and manage your luggage (valuables) at your own risk.

## Diapers

Please change diapers in the nursing space or the changing space in the toilet. Please take your used diapers and trash back home with you. It is strictly prohibited to leave them in the toilet or throw them in the waste bin.
